Thermoform, Edge Trim, Roll Stock

18, 24, 36, 48 inch {457, 610, 914, 1219 mm} wide feed rolls available for use with appropriate size granulators for thermoform applications

12 inch {305 mm} wide feed rolls available for edge trim applications

Guillotine Cutters available for heavy gauge (0.250 inch {6 mm} and greater) edge trim applications

Accessories

- Fines Separation
- Rollfeeds
- Conveyors
- Metal Detectors
- Blower Evacuation Systems (negative & positive pressure)
